1. Claims 1-4, 6-11, 13-18, 20, and 21 are allowed. Claims 1, 8 and 15 are independent.

2. The following is an examiner's statement of reasons for allowance:

Claims 1, 8 and 15 have been amended to include the allowable subject matter of claims 5, 12 and 19, respectively, which have been canceled. The reason for allowance given in the previous Office action is repeated below for claims 1, 8 and 15.

Claims 1, 8 and 15 are allowable over the prior art of record because the standby position of the reference (W) (as shown in Fig. 9) of the closest prior art of record, Sata et al. (JP 03-52377), is not above the reading position but at substantially the same level as the reading position, and Sata et al. does not disclose that the reference (W) slides down towards the standby position from the reading position when the carrier is deactivated.

Claims 2-4, 6 and 7 depend on claim 1.

Claims 9-11, 13 and 14 depend on claim 8.

Claims 16-18, 20 and 21 depend on claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
